

Conference Presentation Grant

Conference Presentation Grants are awarded to current Graduate students presenting academic papers at a national or international conference. The following restrictions apply:

- 1) Students can earn one award per academic year.
- 2) Awards will be given out as reimbursement.
- 3) Awards are reserved for students presenting a paper at the conference.
- 4) Students must have approval from advisor to attend conference.
- 5) Awards will not be given out to students who are already receiving travel reimbursement from their advisor.
