

**Term paper evaluation**

Name: YOUR NAME HERE

paper: PROJECT TITLE HERE

**OVERALL**

- |                       |                               |              |          |         |
|-----------------------|-------------------------------|--------------|----------|---------|
| <input type="radio"/> | relevance to data compression | high         | med      | low     |
| <input type="radio"/> | introduction, motivation      | yes          | somewhat | no      |
| <input type="radio"/> | technical content             | considerable | moderate | shallow |
| <input type="radio"/> | technical errors              | none         | minor    | major   |
| <input type="radio"/> | conclusions, open problems    | yes          | little   | no      |
| <input type="radio"/> | innovation                    | substantial  | some     | none    |

**WRITTEN REPORT**

- |                       |                                   |      |              |                                     |
|-----------------------|-----------------------------------|------|--------------|-------------------------------------|
| <input type="radio"/> | satisfies page and spacing req'ts | yes  | almost       | no                                  |
| <input type="radio"/> | bibliography adequacy             | fine | fair         | poor                                |
| <input type="radio"/> | plagiarism                        | none | diagrams     | prose                               |
| <input type="radio"/> | clarity, structure, style         | fine | needs polish | needs rewrite                       |
| <input type="radio"/> | spelling, grammar, English        | fine | some errors  | problematic                         |
| <input type="radio"/> | typos                             | none | some         | many (obvious lack of proofreading) |

**CLASS PRESENTATION**

- |                       |                       |          |            |                    |
|-----------------------|-----------------------|----------|------------|--------------------|
| <input type="radio"/> | satisfies time req'ts | yes      | almost     | no                 |
| <input type="radio"/> | structure             | fine     | fair       | disorganized       |
| <input type="radio"/> | clarity               | fine     | spotty     | not understandable |
| <input type="radio"/> | style                 | pleasing | acceptable | annoying           |
