   a) \( r \land (\neg q) \)
   b) \( p \land q \land r \)
   c) \( r \rightarrow p \)
   d) \( p \land (\neg q) \land r \)
   e) \( (p \land q) \rightarrow r \)
   f) \( r \leftrightarrow (q \lor p) \)

   a) If you don’t send me an e-mail message, then I will not remember to send you the address.
   b) If you were born in the United States, then you are a citizen of this country.
   c) If you keep your textbook, then it will be a useful reference in your future courses.
   d) If the Red Wings’s goalie plays well, then they will win the Stanley Cup.
   e) If you get the job, then you must have the best credentials.
   f) If there is a storm, then the beach erodes.
   g) If you don’t have a valid password, then you cannot log on to the server.
