Homework CS 273A Intro ML

Due Mo Sept. 26 2011, 2pm in EEE dropbox (only pdfs)

1. Reading 1: Bishop, Sec 1.1, 2.5.2,

2. Reading 2: Classnotes Chapters 1,2

3. Familiarize yourself with the “Heritage Health” Competition and the “Give Me Some Credit” Competition. Pick one competition and download the data on your computer. For HHC, also download the feature-set provided on the website. Form teams and subscribe to the competition (use naming convention described on the website). Plot 1-D histograms and 2-D scatter-plots of the features. (Note: your choice now does not have to be your final choice, you are allowed to switch!)
