Wonder what it’s like to get a Ph.D. and pursue a career in computing research?

Hosted by Information and Computer Science

**DISCOVERING A CAREER IN RESEARCH: ASK THE EXPERTS**

**February 9, 2001**  
University of California, Irvine  
Student Center Emerald Bay A-C  
10:30 AM – 4:00 PM

**REFRESHMENTS - 10:30 AM**

**DISTINGUISHED LECTURE/Q&A - 11:00 AM**  
*Improving the Memory Performance of Java Programs*  
Associate Professor Kathryn McKinley, University of Massachusetts

**LUNCH PROVIDED - 12:15 PM**

**PANEL DISCUSSION/Q&A - 1:00 PM**  
Computer Scientist Juliana Friere, Bell Labs  
Associate Professor Kathryn McKinley, University of Massachusetts  
Women grad students from Computer Science and Computer Engineering

**RECEPTION - 2:30 PM – 4:00 PM**  
Join panelists and guests for one-on-one discussion.
