

NEW FRESHMEN CHECK LIST

We are excited to welcome you to UCI and the School of ICS.

Prior to meeting with our Student Affairs Office for Summer Orientation, you will need to complete all of the items on this check list.

2 ONLINE ORIENTATION VIDEO & SURVEY

1. Watch the ICS online orientation video

- Provides information on degree requirements
- UCI and ICS academic policies
- Introduction to WebReg

2. After watching the video, you will then submit the Online Orientation Completion Survey.

Both the Online Orientation Video and Survey are on the ICS Website: ics.uci.edu

4 SUBMIT OFFICIAL DOCUMENTS

All official documents need to be submitted to UCI Admissions.

Submit the following:

- official high school transcripts (deadline: July 1st)
- official community college or other 4 year institution transcripts (deadline: September 15th)
- official Advanced Placement or International Baccalaureate Exam Scores (deadline: July 15th)

<https://admissions.uci.edu/new-student-welcome-guide/official-documents.php>

6 SIGN UP AND ATTEND AN ORIENTATION SESSION

Your SPOP Session is where you will meet with the ICS Student Affairs Office Academic Advisors.

You will register for your classes during SPOP. This is not a one-on-one session; you will be in small groups.

To sign up for your session go to UCI Orientation website:

<https://orientation.uci.edu/>

1 ACTIVATE UCInetID

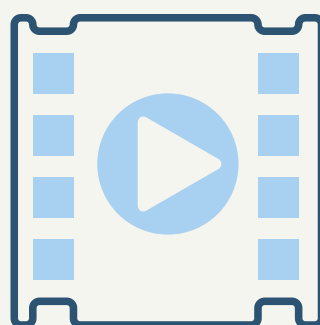

EACH STUDENT HAS THEIR OWN UNIQUE UCInetID

Yours can be found at your UCI Admitted Student Portal.

- It is important you remember your UCInetID and password. You will need both to register for courses during your Student Parent Orientation Program (SPOP) Session.

Your UCI email is your UCInetID + "@uci.edu" Begin checking this email for Orientation communications

<https://activate.uci.edu/activate/menu.php>

Take Survey

Go to "Students" and select Undergraduate. On the right hand side tab menu you will see "Newly Admitted to ICS."

3 PLACEMENT EXAMS

Placement exam scores will help with determining what courses you will enroll in your first quarter at UCI.

There are two different kinds of placement exams:

- Exams for your Major
- ICS Credit by Exams (optional)

Visit the UCI Academic Testing Center website to learn which placement exams you should take:

<http://www.testingcenter.uci.edu/>

If you have prior experience in Python, C++, or Java consider taking one of the ICS Credit by Exams.

5 INTERNATIONAL STUDENTS

Visit the UCI International Center website to begin submitting visa documents.

<https://ic.uci.edu/>
