Business Information Management Major

2020-2021

All major courses must be taken for letter grades. A 2.0 or higher GPA must be earned in both the overall major and in the upper division courses of the major.

MGMT 7 or any other Statistics course will not be accepted as a substitute for the STATS 7, STATS 8, or STATS 67 requirement.

Students majoring in Business Information Management may not double major in Business Administration nor minor in Management, Innovation and Entrepreneurship, Informatics, or Information and Computer Science.

Business Information Management Major

2020-2021

*** MGMT 173 and MGMT 178**

MGMT 190: Data and Programming Analysis and MGMT 190: Digital Strategies may be substituted for MGMT 173 or MGMT 178. Please note the MGMT 190 classes will not double count towards both the MGMT 173 or 178 requirements and one of the five upper division electives. To have the substitution reflected on DegreeWorks email ucounsel@uci.edu and ask the ICS Student Affairs Office to manually update your DegreeWorks.

Updating the 5 Upper Division Electives

Usually, DegreeWorks does not understand which courses you are using to fulfill the section (B) under your Upper Division requirements. You will need to email ucounsel@uci.edu and ask the ICS Student Affairs Office to manually update your DegreeWorks. Title your email "DegreeWorks Update- BIM major" and be specific as to which courses you want applied in this section of your major.

Applying for Graduation

Graduation is not automatic once you complete all your requirements (UC requirements, General Education requirements, Major requirements, Minor requirements if you are pursuing a minor). **You must apply one quarter before your intended graduation date.** The deadline is Friday of Week 8 at 5:00 PM of the quarter prior to your graduation quarter.

For example: If you plan to graduate in Spring quarter of your senior year, your graduation application must be submitted in Winter quarter of your senior year.

To submit your application log in to StudentAccess →Applications →Graduation.
