

COMPSCI 295, Winter 2018

Assignment 6

Instructor: Rina Dechter

Due (by email): Monday, March 12

For the reminding of the classes I will post the papers to be presented a week earlier so you can (and should) prepare yourself and read those papers.

1. Provide a 1-page of a brief summary of all 3 papers presented in the class 3/5 (namely, one page total for all 3 papers). See the class page for reference. **Make sure to include the paper's title, authors, and publications place as well as the name of the student presenting the paper.**
