

# Grade Progression: Winter 2021 -> Spring 2021

Grades: 32 -> 33

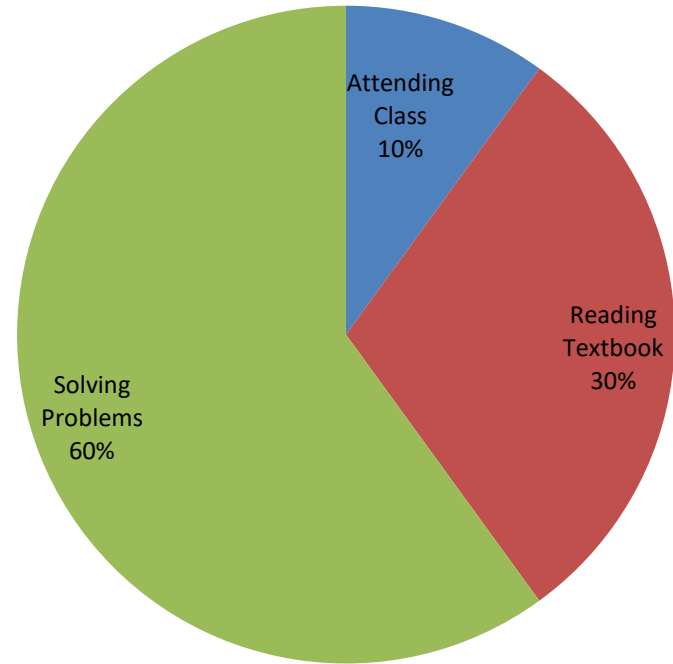

# Two Views of Where Learning Happens

**Student View of Learning**

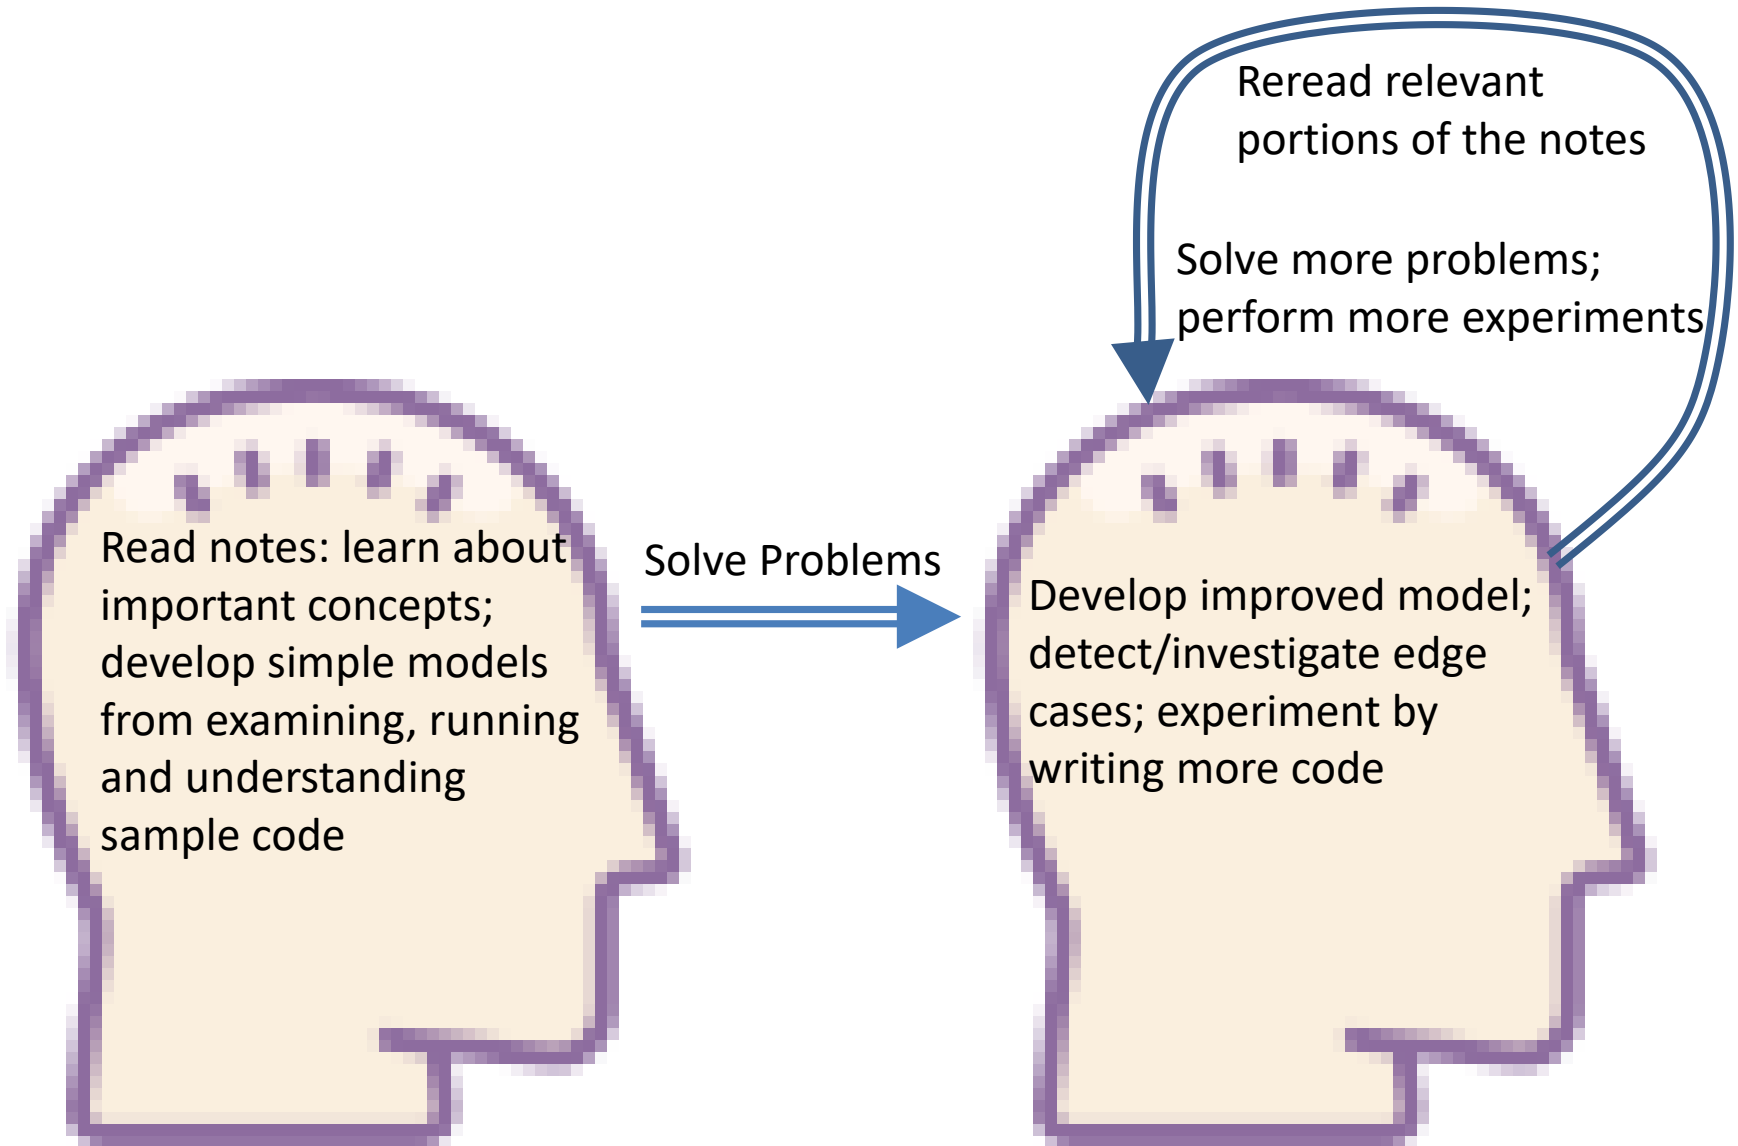

**Faculty View of Learning**

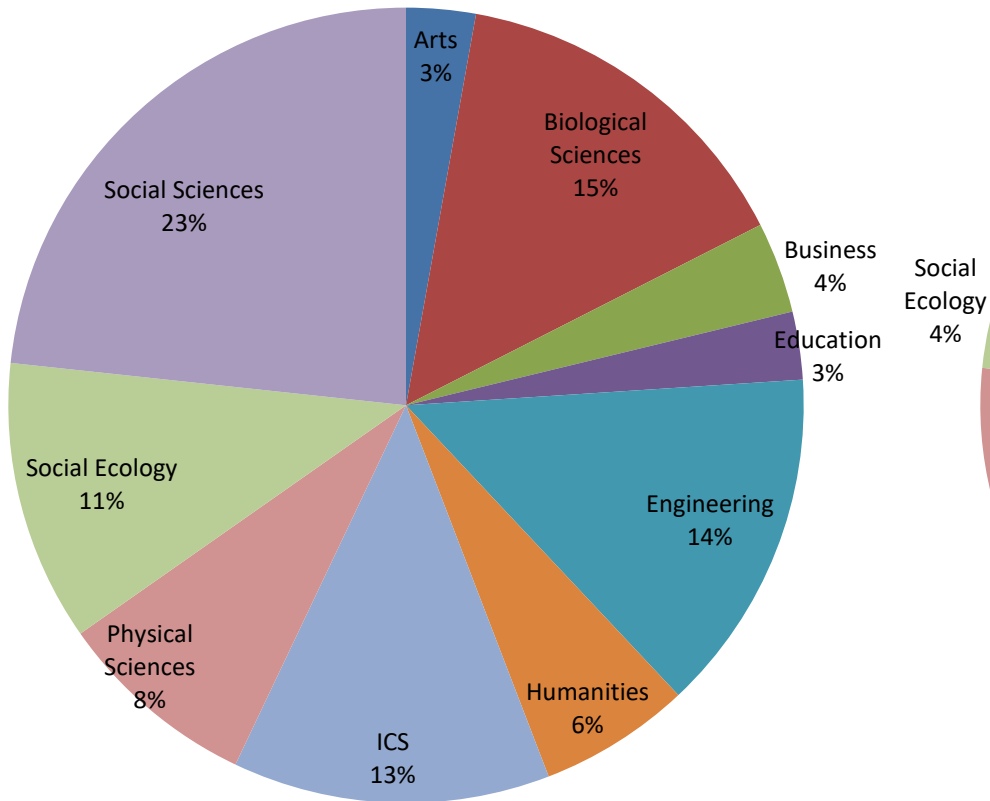

Lectures set the context for reading the notes in detail and experimenting with sample code: information you apply when writing/debugging Python code.

# How Learning Happens

# Some Cheating Statistics at UCI

## Size by School (20-21)

## Cheating Report by School (20-21)
