

Wesley O. Johnson
Department of Statistics
University of California at Irvine, 92697

EDUCATION

- Ph.D., Statistics, University of Minnesota, 1979.
- M.S., Statistics, California State University, Hayward, 1974.
- B.S., Mathematics, University of Washington, 1972.

EXPERIENCE:

- 2016-pres Emeritus Professor AS, Department of Statistics, UC Irvine.
- 2005-2016 Professor, Department of Statistics, UC Irvine.
- 1993-2004 Professor, Department of Statistics, UC Davis.
- 1997-2002 Chair, Graduate Group in Epidemiology, UC Davis.
- 1986-1993 Associate Professor, Division of Statistics, UC Davis.
- 1980-1986 Assistant Professor, Division of Statistics, UC Davis.
- 1974-1975 Statistician, Texas Instruments' Ecological Services Group, Verplanck, NY.

HONORS AND AWARDS:

- International Society for Bayesian Analysis Foundational Lecture, Kunming, China 2020
- Tom Bratcher Memorial Lectures, Baylor University Department of Statistical Science, 2020
- Workshop honoring W.O. Johnson, Viná del Mar, Chile, 2019
- Elected Director, Executive Board, *International Biometrics Society*, 2013-2015
- Elected President, Western North American Region of the International Biometrics Society, 2003-2004
- Elected Chair-Elect, 2015-16; Chair, 2016-17, Past Chair, 2017-18. ISBA Section on Bayesian Nonparametrics
- Elected Chair, Section of Bayesian Statistical Science, 2011-2012
- Elected Fellow, International Society for Bayesian Analysis
- Elected Fellow, Institute of Mathematical Statistics
- Elected Fellow, American Statistical Association
- Elected Ordinary Member of the International Statistical Institute
- Fellow of the Royal Statistical Society
- Jim Press Lecturer, 2014
- Seymour Geisser Lecturer, 2010

- Edward Rotan Distinguished Visiting Professor, Dept. of Biostatistics, MD Anderson Cancer Center, 2003
- Dean's Award for Excellence in Research, Bren School of Computer and Information Science, University of California, Irvine (UCI), 2009-2010
- "Most Outstanding Faculty/Staff Award" in Epidemiology, University of California, Davis (UCD), 1995-1996 (voted by Epi. Grad. Students)
- "Most Outstanding Faculty/Staff Award" in Epidemiology, UCD, 2001-2002 (voted by Epi. Grad. Students)
- University of Minnesota Dissertation Fellowship

RESEARCH INTERESTS:

- Bayesian and Predictive Inference.
- Informative Priors in Regression.
- Bayesian Nonparametrics.
- Regression Diagnostics and Predictive Influence.
- Asymptotics.
- Longitudinal and Spatial Data.
- Biostatistical and Epidemiological Applications.
- Diagnostic Screening Test Methodology and Protocols.
- Risk Analysis and Certification of Disease Freedom.

SOCIETIES:

- American Statistical Association.
- Institute of Mathematical Statistics.
- Royal Statistical Society.
- International Statistical Institute.
- International Biometrics Society, WNAR.

PUBLICATIONS

Books:

1. Lee, J.C., **Johnson, W.O.**, and Zellner, A., Editors (1996). *Modeling and Prediction: Honoring Seymour Geisser*. Springer-Verlag, New York.
2. Geisser, S. (2006). *Modes of Parametric Statistical Inference* (with the assistance of **W.O. Johnson**). John Wiley and Sons.

PH.D. STUDENTS: Adviser or Co-Adviser*:

(1987) Marie-Liesse Lassauzet*, Senior Director, XenoPort, San Francisco, CA. Thesis Topic: Assessing the factors Associated with BLV transmission. (Co-supervised with M. Thurmond, Dept. of Epidemiology and Medicine.)

- (1996) Alex Exuzides. Senior Statistician, Exponent Inc. Thesis Topic: Prediction diagnostics for survival models.
- (1996) Mitchell Watnik. Professor. Department of Statistics. California State University, Hayward. Thesis Topic: Characterizations and Properties of Tests for Comparing Non-nested Linear and Non-linear Models.
- (1997) Julie Yee. Senior Statistician. U.S. Geological Survey, Sacramento, CA. Thesis Topic: Large and small sample Bayesian inference and diagnostics for models with latent variables.
- (1999) David Cowling*. Senior Epidemiologist. California Department of Health Services Sacramento, CA Thesis Topic: Bayesian approaches to diagnostic testing. (Co-supervised with I. Gardner, Dept. of Epidemiology and Medicine, UCD.
- (2000) Timothy Hanson. Professor. Department of Statistics. University of South Carolina. Thesis Topic: Bayesian nonparametric survival analysis.
- (2001) Chun-Lung Su. Assistant Professor, Tunghai University, Taiwan. Thesis Topic: Asymptotic posterior approximations with Applications to Generalized Linear Mixed Models.
- (2002) Patrick McInturff*. Deceased. Thesis Topic: Statistical models and methods for assessing risk factors associated with ram attrition. (Co-supervised with Nancy East and Sharon Hietala.)
- (2003) Yan Liu*. Research Assistant Professor, School of Medicine, University of Miami. Thesis Topic: Statistical models and methods for assessing the impact of smoking on female hormone functioning. (Co-supervised with Ellen Gold, Department of Public Health and Bill Lasley, Department of Population Health and Reproduction.)
- (2003) Scott Bartell. Professor. University of California, Irvine. Program in Public Health. Thesis Topic: Statistical methods for non-steady state exposure inference using biomarkers.
- (2005) Adam Branscum. Professor. Department of Health Sciences. Oregon State University. Thesis Topic: Contributions to statistical methods in epidemiology: Bayesian semi-parametric and nonparametric approaches.
- (2005) Young-Ku Choi. Senior Researcher. University of Illinois, Chicago. Thesis Topic: Bayesian semi parametric methods for longitudinal data: Applications to modeling CD4 counts and women's hormone functioning over repeated cycles.
- (2008) Michelle Norris. Associate Professor. California State University, Sacramento. Thesis Topic: Bayesian semi-parametric inference for longitudinal diagnostic test outcome data.
- (2012) Reza Jafarzadeh. Thesis Topic: Bayesian Methods for Diagnostic Testing. (co-supervised with Ian Gardner, School of Veterinary Medicine, Prince Edward Island). Assistant Professor of Medicine, Boston University.
- (2014) Yan He. Thesis Topic: Bayesian semiparametric modeling of curve data: Applications to longitudinal diagnostic test outcome data. Staff Scientist. Yahoo Corp.
- (2017) Fletcher Christensen. Thesis Topic: New Approaches to Model Selection in Bayesian Mixed Modelilng. Assistant Professor. University of New Mexico.

(2019) Brandon Berman. Thesis Topic: Methods of improving Markov chain Monte Carlo sampling. Joint with Weining Shen.

Epidemiology Thesis Committee Member/Mentor:

(1999) Randy Singer. Professor, University of Minnesota Veterinary School. Thesis Topic: Molecular Epidemiology of Cellulitis-Associated Escherichia Coli in Broiler Chickens.

(2000) Marios Georgiadis, Scientific Officer, European Food Safety Authority. Thesis Topic: Epidemiology of Iridovirus in White Sturgeon.

(2002) Geoffery Fosgate. Professor, University of Pretoria, Veterinary School. Thesis Topic: Diagnosis and Control of Brucella Abortus.

(2002) Claudia Munoz-Zanzi. Associate Professor, University of Minnesota Division of Environmental Health Sciences. Thesis Topic: Diagnosis, Characterization, and Impact of Bovine Viral Diarrhea Virus (BVDV) Infection in Dairy Cattle under Field Management Conditions.

(2005) Saraya Tavornpanich. Norwegian Veterinary Institute. Thesis Topic: Strategies for detection of Mycobacterium avium subsp Paratuberculosis.

(2008) Rebecca Garabed. Associate Professor, Ohio State Univ, Thesis Topic: Global Foot and Mouth Disease Modeling.

Associate Editor, *Biostatistics*, 2015-pres

Associate Editor, *American Statistician*, 2011-2015

Associate Editor, *Statistics in Medicine*, 2009-2015

Associate Editor, *Biometrics*, 2008-2012

Associate Editor, *Bayesian Analysis*, 2004-2009

Associate Editor, *Journal of the American Statistical Association*, 2002-2008

Elected Chair Elect, Chair, Past Chair, ISBA Section on Bayesian Nonparametrics, 2015-18

Elected Member, Executive Board, International Biometrics Society; 2012-2014

Member of ISBA Fellows Committee, 2017-20

Member of Board of Directors, *Journal of Agricultural, Biological and Environmental Statistics*, 2006-2010

Elected Member of Board of Directors of *International Society for Bayesian Analysis*, 2006-2008; 2012-2014

BNP 2017, Program Committee; BNP 2021 Program Committee

ISBA 2015, Program Committee

ISBA Prize Committee, Member 2013-14, Chair 2014-15.

IMS Program Chair, Western North American Regional Meeting, Honolulu, June 2014

WNAR Program Chair, Western North American Regional Meeting, San Luis Obispo, June 2011

WNAR Program Chair: 2001-2002

Chair, Organizing Committee, UC Davis Conference in Epidemiology, January, 2001

SBSS Program Chair Elect: 1998-1999; Program Chair: 1999-2000

Member, IBS Program Committee, 2004-2006

Local Arrangements Chair for ISBA1, San Francisco, 1993

Member, ISBA Mitchell Award Committee: 2011-2013

Member, ISBA Savage Thesis Selection Committee: 1999-2000; 2006-2007

ASA-SBSS representative to the Savage Board, 2000-2004, and Chair, 2002-2004

Member, Steering Committee for the formation of SBSS, 1990

Assistant Secretary for IMS, 1986-1987

AIDS Research Panel, National Institutes of Health

Member, NIH Statistical Methodology Review Panel, June 2006

Editorial Collaborator: *Annals of Statistics*, *Journal of the American Statistical Association*, *The American Statistician*, *Biometrics*, *Biometrika*, *Canadian Journal of Statistics*, *Journal of Econometrics*, *Naval and Logistics Quarterly*, *Statistica Sinica*, *Journal of the Royal Statistical Society*, *Journal of Statistical Planning and Inference*, *Technometrics*, *Communications in Statistics*, *Journal of the American Veterinary Medical Association*, *American Journal of Human Genetics*, George Barnard Volume, Arnold Zellner Volume, Seymour Geisser Volume, *Journal of Computational and Graphical Statistics*, Bayesian Nonparametrics Volume, Diagnostics and Prediction Volume, Shanti Gupta Volume, Multiple NSF Grant Proposal Reviews, NSERC Grant Proposal Review, USDA Grant Proposal Reviews, *Biometrical Journal*, *Statistics and Probability Letters*, *American Journal of Human Genetics*, *Preventive Veterinary Medicine*.

UNIVERSITY SERVICE:

Member, UCI Committee on Committees, 2010-2011.

Vice Chair of Executive Committee, Bren School of Information and Computer Science, UCI, 2010-2011.

Vice Chair of Statistics, Bren School of Information and Computer Science, UCI, 2006-2015.

Member, Graduate Policy Committee, 2008-2009.

Member, Undergraduate Educational Policy Committee, Bren School of Information and Computer Sciences, UCD, 2006-2007.

Member, Executive Committee, Bren School of Information and Computer Sciences, UCI, 2005-2006; 2007-2008; 2010-2011

Chair, Graduate Group in Epidemiology, UCD, 1997-2002.

Chair, Graduate Group in Epidemiology Executive Committee, UCD, 1997-2002.

Chair, Department of Statistics Educational Policy Committee, UCD, 2001-2002.

Member, Steering Committee for the Formation of MPH Program at UCD, 2001-2002.

Chair, Graduate Group in Epidemiology Seminar Committee, UCD, 2001-2002.

Member, Dean of Mathematical and Physical Sciences Advisory Council, UCD, 1998-present.

Member, Graduate Council Academic Planning and Development Subcommittee, UCD, 2001-2002.

Chair, Graduate Group in Epidemiology Examination Committee, UCD, 2000.

Member, Academic Senate Graduate Council, UCD, 1995-1999.

Chair, Graduate Council Subcommittee for Program Review, UCD, 1999.

Chair, Ad Hoc Committee for the Review of the Psychology Graduate Program, UCD, 1998-1999

Member and Chair of multiple Ad Hoc Committees for Promotion Actions, UCD.

Chair, Graduate Group in Statistics Admissions and Recruitment Committee, UCD, 1994-1998.

Graduate Group in Statistics Teaching Assistant Coordinator, UCD, 1994-1998.

Graduate Group in Statistics Master Graduate Advisor, UCD, 1981-1982, 1994-1998.

Member, Graduate Council Subcommittee for Program Review, UCD, 1997-1998.

Chair, Graduate Council Courses Subcommittee, UCD, 1995-1997.

Member, Academic Senate Courses Committee, UCD, 1985-1986 and 1995-1997.

Chair, Graduate Group in Epidemiology Educational Policy Committee, UCD, 1996-1997.

Chair, Graduate Group in Epidemiology Admissions Committee, UCD, 1990-1996.

Undergraduate Adviser in Statistics, UCD, 1989-1994.

WORKSHOPS PRESENTED:

Workshop on Bayesian Statistics for Veterinary Epidemiologists (2.5 days): University of Melbourne, 2019.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (5 days): Epi Centre of the Veterinary School, Massey University, 2016.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (5 days): Veterinary School, University of Prince Edward Island, 2016.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (3 days): Veterinary School, University of Kansas, 2015.

Co-Director and presenter, International Summer School, Statistical Inference in Biology and Human Sciences, Asti Italy, Summer 2006, Summer 2008.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (2.5 days): EPI Center, Massey University, NZ, December, 2009.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (3 days): Veterinary School, University of Sydney, Australia, 2008.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (5 days): EPI Center, Massey University, NZ, 2007.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (5 days): Veterinary School, University of Prince Edward Island; Canada, 2004.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (4 days): International Society for Veterinary Epidemiology and Economics; Santiago Chile, 2003.

Workshop on Bayesian Statistics for Veterinary Epidemiologists (2 days): Veterinary School, University of California at Davis; Davis CA, 2003.

INVITED TALKS:

2020 International Society for Bayesian Analysis, Kunming, Foundational Lecture; Baylor Department of Statistical Science, Tom Bratcher Memorial Lectures

2019 Workshop Honoring Wesley O. Johnson, Viná del Mar, Chile; Indian International Statistical Association meeting, Mumbai; University of Kansas, Department of Statistics.

2018 Workshop on Bayesian Statistics in the Department of Public Health, University of Arizona; Session Honoring John Deely at the Purdue Symposium 9; ECOSTAT Conference in Hong Kong;

2017 Statistics4@Florence; CMO Workshop, Oaxaca; Schwabe Symposium Plenary; Department of Statistics, Cal State San Diego; Department of Statistics, UCI

2016 International Society for Bayesian Analysis, Sardinia; Pontificia Universidad de Catolica, Santiago; National Institutes of Health, Washington DC;

2015 Dept. of Mathematics and Statistics, University of Texas, El Paso; Third International Meeting on Statistics, Athens, Greece; University of Colorado, Denver; Study of Women's Health Across the Nation (SWAN) Annual Meeting, Washington DC;

2014 ISBA International Meeting, Cancun; Johns Hopkins University, Baltimore MD;

2013 Eastern North American Regional meeting of the International Biometrics Society, Orlando; Statistical Society of Canada Annual Meeting, Edmonton; Conference in Honor of George Kokolakis, Athens, Gr.; Department of Statistics, University of Texas, Austin; Department of Mathematics and Statistics, Arizona State University; Conference in Memory of John Klein, Milwaukee, Wisc; Seventh Annual Distinguished Professor S. James Press Endowed Lecture, UC Riverside

2012 Duke University, School of Information and Decision Sciences; Joint Statistical Meetings, San Diego; Plenary Session, Fifth Annual Bayesian Biostatistics Conference, M.D. Anderson Cancer Center; California State University, Fullerton; Latin American Congress of Probability and Mathematical Statistics, Viña del Mar.

2011 Dept. of Statistics, University of Missouri; University of Minnesota, School of Statistics 40 year Reunion; Plenary talk, Conference in Honor of Adrian Smith, Crete; International Society of Clinical Biostatistics conference, Ottawa; Department of Biostatistics, University of Iowa; Department of Statistics, University of South Carolina .

2010 Geisser Lecture, University of Minnesota; Joint Statistical Meetings, Vancouver BC; Conference on Nonparametric Statistics and Statistical Learning, Ohio State University; Two plenary talks at the Semiparametric Bayesian Inference: Applications in Pharmacokinetics and Pharmacodynamics Program, SAMSI Conference; Plenary talk at Conference on Bayesian Nonparametric Statistical Methods at Santa Cruz; Seminar on Bayesian Inference in Econometrics and Statistics, Austin Texas; UCLA Department of Biostatistics.

2009 University of Florida Annual Statistics Meeting, plenary speaker; Joint Statistical Meetings, Wash. DC; ASA meeting at Univ. of Central Florida; San Francisco Bay Area ASA Meeting; Canadian Statistical Society, Vancouver BC.

2008 Joint Statistical Meetings, Denver, CO (invited session speaker and invited discussant); MD Anderson Cancer Center; American Public Health Association Meeting, San Diego; Dept. of Statistics, Pacific Catholic University, Santiago Chile

2007 Joint Statistical Meetings, Salt Lake City; ISBIS 2007, Azores Portugal; Workshop on Bayesian Nonparametric Statistics, Cambridge UK; WNAR 2007, Irvine CA; Australia-NewZealand annual meeting, Christchurch NZ; Dept. of Statistics, University of Central Florida; Department of Statistics, University of Waterloo; Milwaukee regional statistical association; MD Anderson Cancer Center, Houston TX (invited for 2 week visit); Dept. of Statistics, Pacific Catholic University, Santiago Chile; Department of Statistics, Massey University, NZ; American Association of Veterinary Diagnosticians; ENAR, Atlanta GA.

2006 Joint Statistical Meetings, Seattle; 5th Bayesian Nonparametrics Workshop, Jeju Korea; University of Sydney Veterinary School; Massey University Statistics Department. Department of Statistics, University of Bologna.

2005 Objective Bayes 5, Branson, Mo.; International meeting on the design and analysis of diagnostic evaluation studies, Nairn, Inverness, Scotland. Plenary talk plus two technical presentations; International workshop on Bayesian statistics and its applications, Vananasi, India; Department of Biostatistics, UCLA; 5th IASC Asian Conference on Statistical Computing, Hong Kong.

2004 Joint Statistical Meetings, Toronto; Dept. of Statistics, Iowa State University, Ames IA; SVEPM workshop on diagnostic tests, Martigny Switzerland; Dept. of Statistics, UC Santa Cruz; Five days of presentations for course on Bayesian methods in veterinary epidemiology, University of Prince Edward Island.

2003 Workshop in Bayesian Statistics, Calcutta, India; Joint session of Western North American Regional meeting of the *Biometrics* Society and IMS, Golden, CO; Joint Statistical Meetings, San Francisco; Houston Area Chapter of ASA; Dept. of Biostatistics, MD Anderson Cancer Center; Department of Biostatistics, Yale University; Graduate Group in Epidemiology, UCD (2 seminars); Dept. of Statistics, Purdue University; Plenary talk, SVEPM workshop on diagnostic tests, Warwick, England.

2002 Eastern North American Regional Meeting of the *Biometrics* Society, Washington D.C.; School of Veterinary Medicine, Iowa State University; International Conference on Teaching Statistics, Cape Town, South Africa; Plenary talk, School of Statistics Conference Honoring Seymour Geisser, Minneapolis, MN; University of New Mexico; two presentations at Workshop on Validation of Veterinary Laboratory Diagnostic Tests, American Association of Veterinary Laboratory Diagnosticians Annual Meeting, St. Louis, MO.; FDA invited solo workshop on no-gold standard diagnostics, Washington DC; Dept. of Statistics, UCD.

2001 Eastern North American Regional Meeting of the *Biometrics* Society, Charlotte, NC; Department of Statistics, Cal. Poly. SLO; Department of Mathematics and Statistics, Portland State University; Department of Mathematics, Sonoma State University; Plenary Talk, Third International Bayesian Nonparametrics Conference, University of Michigan; Department of Statistics, University of Wyoming; Conference in Nonparametric Statistics Honoring George Roussas, Davis, CA; Western North American Regional Meeting of the *Biometrics* Society, Vancouver, Canada; International Conference of the Indian Statistical Society, New Delhi India.

2000 Third Meeting of the International Society for Bayesian Analysis, Crete, GR; Department of Biostatistics, UCLA; International Society for Veterinary Epidemiology and Economics Meeting, Breckenridge, CO.

1999 Plenary Talk, Second International Bayesian Nonparametrics Conference, University of Reading, UK; Department of Epidemiology and Biostatistics, University of New Mexico; Department of Biostatistics, UCLA; Department of Mathematics, University of Nevada, Reno; Department of Mathematics and Statistics, University of New Mexico; Western North American Regional Meeting of the *Biometrics* Society, Seattle, WA.

1998 Invited Session Chair, Valencia 6, Las Fuentes, Spain; Department of Mathematics and Statistics, California State University at Chico.

1997 Western Regional American Region of the *Biometrics* Society, Park City UT; INFORMS Conference, Dallas TX; National Bureau of Economic Research-NSF-Seminar in Bayesian Inference in Econometrics Conference, Columbus, OH; Department of Mathematics and Statistics, California State University at Chico; Department of Statistics, University of Missouri, Columbia; School of Business, University of Wisconsin, Milwaukee; Plenary Speaker, IMA summer Program on "Statistics in the Health Sciences, Week 3 - Diagnosis and Prediction", Minneapolis, MN; Department of Mathematics, University of Missouri, Rolla.

1996 National ASA Meeting, Chicago ILL; Plenary Speaker, Kullback Conference on Information Theory, Washington DC; Plenary Speaker, University of Minnesota School of Statistics Conference, Minneapolis, MN; University of Canterbury, Christchurch NZ.

1980-95 National ASA Meeting, Detroit MI; Rand Corporation; University of Texas at Dallas; Simon Fraser University; City University of New York; Carnegie Mellon University; NBER-NSF-SBIE Conferences at the University of Minnesota, Duke, Cornell, UC Riverside, Rutgers, University of Florida, University of Michigan; Mexico City, St. Louis, University of Missouri, and George Washington University; University of Iowa; Montana State University; California State University at Hayward; George Washington University; Arizona State University; UC Riverside; UC Santa Barbara; University of Wichita; University of New Mexico; U.C. Berkeley; New Zealand Statistical Association, Christchurch; Conference on Forecasting and Prediction, Hsingchu, Taiwan; University of Hong Kong; National ASA Meeting, Orlando FLA; National ASA Meeting, SF CA; Discussant, Second International Society for Bayesian Analysis Meeting, Spain.

TOPICS TAUGHT IN COURSES:

- Undergraduate All levels of basic applied and theoretical probability and statistics, statistics for Engineers, probability and mathematical statistics for graduate students in econometrics, Bayesian statistics, categorical data analysis, multivariate analysis, regression analysis, analysis of variance.

- Graduate: PhD level estimation, testing, asymptotics and decision theory, survival analysis, generalized linear models, multivariate analysis, linear models, spatial data, longitudinal data, Bayesian nonparametric theory, methodology and computation, Bayesian modeling and data analysis, Epidemiologic methods, bootstrap methods, EM/SEM algorithms, MCMC sampling and theory, Markov chain theory.

CONSULTING:

- (1992-1994) State of California, Department of AIDS.
- (1998-2000) State of California, Department of Mental Health.
- (1998-2000) NIH Bacteremia Study Grant, Nathan Kuppermann, PI.
- (2001-2003) NIH Multiple Sclerosis Grant, Mark Agius, PI.
- (2002) Pacific Gas and Electric; Weintraub, Genshlea, Chediak and Sproul Law Corp.
